UNLEASH THE POWER OF SUCCESS

When you need meticulous execution of sensitive healthcare tasks, MindLeaf Technologies, Inc. is your strategic business partner. Since 1993, our company has provided high quality conversion, compliance, and administrative services to healthcare claims clearinghouses, payers, providers, and government organizations.

MindLeaf's reputation for excellence is rooted in our commitment to exceeding client expectations. We consistently deliver on-time, on-budget solutions with minimal disruption to existing systems. Our superior performance is based on years of experience, proven methodologies, technical precision, and an in-depth understanding of today's changing healthcare standards. Working with skilled professionals trained in our strict ISO 9001 processes, MindLeaf provides high quality answers to your healthcare business needs.

Our services include:

- HIPAA V5010 / ICD 10 Migration
- HIPAA Compliance – Privacy and Security
- Medical Administration

TURNING MANDATES INTO OPPORTUNITIES

You know the value statutory compliance adds to your business. But when you're faced with the challenge of fulfilling strict new regulatory requirements, it's hard to focus on the promised gains. That's when you need MindLeaf Technologies, Inc.

MindLeaf eases the challenge of HIPAA V5010 implementation so you can concentrate on the things you do best. Our specialized services sharpen your competitive edge by reducing the time and cost of meeting compliance deadlines while improving outcomes and decreasing risk.

MindLeaf's integrated approach to HIPAA 5010 / ICD 10 implementation seamlessly transitions your business to the new standards with minimum disruption and maximum benefit.

Completion Date	Task
Jan. 1, 2012	All electronic claims must use HIPAA V5010
Oct. 1, 2013	The claims for service provider(s) on or after this date must use ICD-10 codes for medical diagnosis and procedures
